25X1 5. [REDACTED] Met with Ralph Preston, House Committee on Appropriations, and advised him of Senator William Proxmire's (D., Wis.) intent to request the ~~Soviet Union~~ to bring back the cosmonauts now in space in the interest of the safety and success of the joint space mission, citing Mr. Duckett's testimony before Senator Proxmire's HUD and Independent Agencies Appropriations Subcommittee that "I do not think they are in good shape to handle two missions at once from the command point of view."

Preston will check with the Chairman on the interest of the Intelligence Community Staff for a copy of the testimony of General Grahame and Assistant Secretary of Defense (Intelligence) Hall, but sees no problem. 25X1

25X1 6. [REDACTED] Met with Jim Gehrig, Senate Aeronautical and Space Sciences Committee staff, and left with him during the day the classified DDS&T assessment of the scheduled joint U.S. / ~~U.S.S.R.~~ space mission, which is to be returned by OCI courier later in the day. I also filled him in on Senator William Proxmire's (D., Wis.) intent to use Mr. Duckett's testimony in requesting that the cosmonauts now in space be brought down, and the embargo on that information until Wednesday by Senator Proxmire's office.

25X1 8. [REDACTED] Met with Bill Hogan, House Armed Services Committee staff, and informed him of Senator William Proxmire's (D., Wis.) use of a statement from Mr. Duckett's testimony to request the ~~U.S.S.R.~~ to bring back the two Russian cosmonauts now in space in the interest of the safety and success of the joint space mission.

STAT 13. [] Met with Ron Tammen, on the staff of Senator William Proxmire (D., Wisc.), and provided him with unclassified page-size charts used by Mr. Duckett in his 4 June briefing of Senator Proxmire's Subcommittee on HUD and Independent Agencies, Senate Appropriations Committee.

On another matter I advised him that the Agency was proceeding with a sanitization of the Director's testimony before the Senator's Subcommittee on Priorities and Economy in Government, Joint Economic Committee, and acquainted him with some of the problems we were having. I told him we would make every effort to complete the sanitization process this week.

STAT 15. [] Met with Clark McFadden, General Counsel, Senate Armed Services Committee, to alert him to the proposal which Senator William Proxmire (D., Wisc.) will make with respect to the Apollo-Soyuz joint training mission. I told him the statement would include a quote from Mr. Duckett's 4 June testimony before Proxmire's Appropriation Subcommittee. McFadden replied he was sure the Chairman would not be happy about seeing the Agency in the press again in this kind of context but he admitted that nothing could be done to prevent such disclosures. Since the Chairman was out of town McFadden said he would hold the information until he next spoke with him.

STAT 16. [] Attempted to see Guy McConnell, Senate Appropriations Committee staff, to alert him to Senator William Proxmire's (D., Wisc.) forthcoming statement on the Apollo-Soyuz joint training mission but he was not in his office. [] will follow-up by calling him. STAT
